

National Technical
University of Ukraine
"Igor Sikorsky
Kyiv Polytechnic Institute"

Національний технічний
університет України
«Київський політехнічний інститут
імені Ігоря Сікорського»

Міжнародна науково-практична конференція

**СУЧАСНИЙ СТАН ТА ПЕРСПЕКТИВИ
БІОМЕДИЧНОЇ ІНЖЕНЕРІЇ**

присвячена 125-річному ювілею
Національного технічного університету України
"Київський політехнічний інститут імені Ігоря Сікорського"

A link to the Zoom conference webinar will be sent
to all participants December 12, 2023 to the e-mail
address specified during registration

**International Scientific and Practical Conference
CURRENT STATE AND PROSPECTS OF BIOMEDICAL
ENGINEERING**

dedicated to the 125-anniversary of the
National Technical University of Ukraine
"Igor Sikorsky Kyiv Polytechnic Institute"

13-14 грудня 2023 року, Київ, Україна
December 13-14, 2023, Kyiv, Ukraine

Dear colleagues!

We invite you to participate in the work
International scientific and practical conference

**«CURRENT STATE AND PROSPECTS OF BIOMEDICAL
ENGINEERING»**

which is dedicated

**125th anniversary
National Technical University of Ukraine “Igor Sikorsky
Kyiv Polytechnic Institute”**

December 13-14, 2023, Kyiv, Ukraine

Areas of work of the conference :

- Clinical engineering, diagnostic technologies, medical instrumentation and biomedical electronics
- Rehabilitation engineering, endo- and exoprosthesis, physical therapy, occupational therapy
- Tissue and regenerative engineering, artificial organs and transplantation
- Biomedical cybernetics, telemedicine, AI systems in medicine

The following are invited to participate in the conference: scientific and scientific-pedagogical workers of scientific institutions, educational institutions of pharmaceutical, medical, biological profile, doctoral students, post-graduate students, students, employees of enterprises and public organizations.

Form of participation in the conference: correspondence (publication of materials and/or participation in remote meetings).

Conference structure: The two-day conference will be held in the form of a remote plenary meeting and breakout sessions on the Zoom platform and will include reports and discussions in the form of round tables.

During the conference will take place:

- The round table "Current state and prospects of biomedical engineering" dedicated to the 125th anniversary of Igor Sikorsky Kyiv Polytechnic Institute;
- Extended meeting of subcommittee 163 Biomedical engineering of the Scientific and Methodological Commission of the Ministry of Education and Culture of Ukraine;
- Meeting of the board of the All-Ukrainian Association of Biomedical Engineers and Technologists;
- Discussion of the results of the WHO-supported project "Medical engineering support of intensive care units in tertiary institutions".

Working languages of the conference: Ukrainian, English.
